

## STATEMENT IN SUPPORT OF DIRECTORSHIP

I moved into Paddington in 1972 when I was 20 and have never left. I raised a family here. My son and daughter both went to Paddington Public School.

I worked at the Australian Bureau of Statistics for 35 years, 25 in IT and 10 in Customer Services. I know the importance of listening, hearing and understanding.

I will work to reinstate the Dress code, which seems to have fallen by the wayside, particularly the wearing of hats and caps. I will ensure that any complaints and other issues are followed up.

Vote for me for a better club.
